

# **SCOTTISH HOCKEY AND DISTRICT HOCKEY COACHES MIDLAND DISTRICT COACH VACANCIES (4) SESSIONAL**

An opportunity has arisen for Hockey Coaches to deliver a coaching programme for the Midland District level U18 and U16 players (male and female)

The District Programme consists of the most talented male and female hockey players in the district, aged 14-18 years who have not made national youth selection but wish to develop their hockey playing abilities through 1.5 hours per week pitch session.

Session days and times will be agreed once we've confirmed and appointed the coaches for each gender programme.

Interested coaches are invited to submit an electronic CV to apply for the position.

## **Roles and Responsibilities:**

- Prepare, deliver and evaluate 1 pitch session per week.
- Report on the progress of players to the respective district committee, Performance Manager and Tayside and Fife Hockey Development Manager.
- Communicate with school/club coaches with regard to individual player programmes at programmed meetings
- Provide attendance and any testing data as required

## **Responsible to:**

- The Youth Performance Manager, Scottish Hockey
- Tayside and Fife Hockey Development Manager

## **Essential Qualifications:**

- SHU Level 2\*
- 2 years appropriate coaching experience
- A member of the Association of Scottish Hockey Coaches or another insuring body

\* A Level 1 Coach will be considered if he/she is actively working towards the SHU Level 2 qualification and is able to work alongside a level 2 coach.

## **Payment:**

- Rate of pay will be given according to qualifications and experience in line with Scottish Hockey recommended pay scales

If you have any questions please contact David Stott: 0131 453 9070 / 07793882777

**To apply please submit an electronic CV to:**
