

## **NEW FACES JOIN THE TEAM**

Tayside & Fife's Rugby Development Team is welcoming several new faces. Kenny Christie formally the Angus Development Officer rejoins the team after a 2 year spell working with Rugby Monza in Italy. Kenny is taking up the reigns at Dundee High School FP and Dundee Eagles where he will take over the good work done by Colin Whittaker.

In Perth & Kinross, Derek O'Riordan is making the move from Haddington where he worked as Development Officer to join Perthshire RFC. Crieff and Strathearn are appointing their first ever Development Officer with Peter Cook leading rugby development throughout the Crieff and Auchterarder catchment areas.

We wish all three well as they start their respective roles and no doubt you will see them out and about over the next few months.

On the University front two part time Student Rugby Development Coordinator posts have been appointed in Tayside & Fife in partnership with the Universities. Kyle Karim is working with the University of St. Andrews and Barry Davidson with Dundee and Abertay Universities. Kyle and Barry have roles to play at all levels of the student game from organising and running intra mural events as well as helping to coach some of the teams and work to develop referees and coaches within the University game.
