

## NATIONAL GIANT HEPTATHLON FINAL 2010

The first national Giant Heptathlon final took place on 27<sup>th</sup> April at Grangemouth Indoor Athletics Centre.

Six regions took place and the representative team from each region had already won their respective regional final. As with the regional finals, there was no coaching aspect to the day, and the schools went straight into competition with each event providing an overall team score. To complete the morning's events, the relays were held outdoors on the track with a 7x100m girls' race followed by a 7x100m boys' race.

Great effort and enthusiasm was shown by all the pupils as well as their teachers which made for a close and exciting competition.

The winning team from Bell Baxter school won 5 out of the 7 events, with the other 2 events being won by the school which came in 2<sup>nd</sup> place.
