

SportTayside & Fife

DEVELOPING SPORTING PATHWAYS IN TAYSIDE & FIFE

I would like to take this opportunity to introduce myself as the new Partnership Manager for **SportTayside & Fife**. For the last four years I have worked as a sports management consultant in Ireland and Scotland with governing bodies, sporting organisations and the Irish Sports Council. Before that I was Director of Sports Development with **sportscotland** for eight years, and was also a Principal Teacher of PE in Edinburgh. I believe my mix of experience will be a tremendous help to me as I progress the ambitions and aspirations of the Partnership with my team of colleagues and our key partner organisations.

I am delighted to be working in the Partnership and am relishing the opportunity to make my contribution to the development of sport in Tayside & Fife. I hope you enjoy reading this newsletter which provides an update and a look forward into 2007.

Partnership Programmes and People

Work has progressed considerably with the three year strategic framework for each of the eight sports and coaching. These have been produced in partnership with the governing bodies and **sportscotland**, and the draft plans are currently being reviewed and discussed with Angus, Dundee, Fife and Perth & Kinross Councils. The plans will then be distributed in January for consultation with Development Groups clubs and coaches across Tayside & Fife.

It is these plans that will determine the work of the Partnership over the next three years, and your contributions between now and the end of January are crucial to ensure we get it right. We will complete our Action Plans for each programme area during February so that everything is in place for the first year of the new strategies.

Since our last Newsletter in August, the Partnership's Management Team has worked hard to complete the new staffing structure.

In September, Neil Carrie was appointed as the new SRU Regional Manager for the Partnership. Neil has worked in the financial sector, the private leisure sector and is still turning out for the 'odd' game for Kirkcaldy Rugby Club!

At the end of December we say farewell and thanks to Rennie Milne our Hockey Development Officer who has done an excellent job for the Partnership – we wish him well. We welcome Lorna Dobbie as our new Development Manager who is a hockey internationalist and joins us from the City of Edinburgh where she worked as a Hockey Development Officer.

Looking forward, our new Programme Manger, Euan Lowe joins us in February. Euan has played a leading role in developing Scotland's National Canoe Slalom squads and brings with him a wealth of experience from front line international coaching and high performance planning.

In closing, I would like to pay a particular tribute to Catriona Semple and James Steele who have led and guided the Partnership through all its work since Craig Burn departed for his new post in **sportscotland**. They have done a great job and I find myself in an organisation which has highly motivated and committed staff, who are focused on the challenges and work which lie ahead.

Finally, our new website www.SportTayside-Fife.co.uk will be launched on Friday 8th December – hit it!

Brian Samson

DEVELOPING COACHING IN TAYSIDE & FIFE

CoachingTayside & Fife Scholarship Programme

The Scholarship Programme aims to secure financial support to enable coaches to undertake the necessary training to support Education and Training Opportunities. In conjunction with our partners, the following coaches from Tayside and Fife received scholarship assistance.

Gymnastics

Long-term scholarship programmes have been agreed with two Gymnastics coaches to fund mentoring and club coach opportunities. Willie Moyes, Leven, Fife has successfully completed the General/Men's Artistic Club Coach Course during October at Falkirk School of Gymnastics. Beate Petersen, Newtyle, Perth & Kinross, will attend an agreed programme of mentoring, video analysis and IT training.

Rugby

Simon Laidlaw has been awarded a scholarship to attend a fitness instructor's course during December in Edinburgh. In future, Simon will assist Perthshire Rugby Club with their Strength and Conditioning Programme.

Swimming

A long-term programme has been agreed with Swimming tutor, Marion Durham, from Monikie, Angus and an award was made to complete a Level 2 Tutor Attachment. Further assistance will be provided to complete an adult/child disability technical attachment.

Would you like to be part of the Scholarship Programme?

For more information or to get involved, please contact any of the Development Managers.

CoachingTayside & Fife Education Programme 2006/2007

Psychology Workshop

On Wednesday, November 15th, a Psychology workshop was delivered at Bell's Sports Centre, Perth. The tutor for the evening was, Katie Sinott, principal psychologist and a member of the support team at the Tayside and Fife Institute of Sport.

Twenty-six coaches, from a wide variety of sports, attended the informative evening. The sports represented included: Gymnastics, Hockey, Football, Basketball and Rugby. Sports Medicine students from University of Dundee also attended along with athletes and sports therapists.

A further psychology workshop will be organised during Spring of 2007 specifically targeting parents and children. A practical nutrition workshop will also be delivered next year. Please contact me if you are interested in attending.

SportTayside & Fife Website

SportTayside & Fife have just launched a new website. The website will be an additional communication tool, contributing to developing sport in Tayside and Fife and actively promoting clubs, coaching, events, newsletters and a full programme of courses and workshops. The website address is: **www.SportTayside-Fife.co.uk**
